3. A standard operating procedure for EOB of all JOT's has been approved by the offices concerned. In addition to the desirable aspects of the regularization of this complicated procedure, it will now be possible to give all candidates the full assessment as well as testing before the beginning of the EIC. As a result, JOT/D will become more efficient in the placement of these individuals for on-the-job and other training at the conclusion of the EIC. Furthermore, a controlled experiment of the validity of assessment will be begun in which it is planned to re-assess OCS candidates when they return for reorientation in the Agency.

4. Mr. Nelson Rockefeller, Under Secretary of Health, Education, and Welfare, has agreed to appear as the keynote speaker for the Twelfth Orientation Course. Arrangements for his appearance will be made. The Director's office called Mr. Milton Eisenhower's office and obtained the information that Mr. Eisenhower could not attend.

5. On Wednesday, 14 October, the Chief, CE/D, briefed the Marine Corps School, Quantico, Virginia, on the Mission, Scope and Responsibilities of CIA.
